Increase the value of your donations through Gift Aid

As from 6 April 2000, the Gift Aid scheme was revised to allow tax to be recovered by charities on any gift from a taxpayer who has signed an appropriate authorisation. Thus, the Voluntary Care Group has now produced authorisation forms to allow us to apply for tax refunds on donations we receive from taxpayers. Such refunds increase the value of such donations by 28% at current rates of tax. The one authorisation can be used to apply to all donations from the given person from 6 April 2000 onwards, provided that we have evidence of who each donation is from.

If you are a taxpayer and you make donations to TVCG, please either complete the form below and send it to the office, or contact the office for a separate copy of the form.
